## PROJECT EXPERIENCE

### Savvy Travels

🔗 savvytravels.aturner.dev    <https://github.com/savvy-travels/ssavvy-travels-app>

Group React Project

- A site for travelers with a budget and a wanderlust - they provide the budget, and we provide options for travel
- Full stack web app built with React, Express, Node, MapboxGL and Skyscanner API
- Primary responsibilities: API fetching and data manipulation - chained several API calls and manipulated data returned to provide user's location, nearest metro areas and airports and use that information to poll flight data

### Roll For Fun

🔗 rff.aturner.dev    <https://github.com/TurnerAndrew/roll-for-fun>

Individual React project

- Board game ranking and selection tool for gaming groups
- Full stack web app built using React, Node, PostgreSQL, Redux and SCSS
- Includes full RESTful API and user authentication

## EXPERIENCE

### General Manager

**Panera Bread**

📅 07/2019 - 10/2020    📍 Rockwall, TX

- Led daily operations of a fast casual dining environment including on premise dining, drive through, delivery, catering and bakery.
- Increased food safety score from 82% average in 2019 to 93% in 2020
- Moved location from bottom 10% in company metrics in 2018 to top 50% in 2019

### Training General Manager

**Buffalo Wild Wings**

📅 04/2010 - 09/2019    📍 Garland, TX | McKinney, TX | Los Angeles, CA | Frisco, TX

- Led training program for more than 50 newly hired managers of all levels - led training of up to 5 managers concurrently for 12 weeks while continuing to oversee restaurant operations
- Decreased turnover by 67% in first six months at new location through accountability, hiring practices, and team member appreciation.
- Increased average food safety audit score 12% in first six months.
- Onboarded, trained and mentored General Managers both external hires and internal promotes.
- Achieved ranking of 13 of 604 restaurants in company metrics, and #1 ranked restaurant in Texas.
- Finished in top 10% of company metrics in 2015.
- Increased same store sales more than 10% in 2016, increased same store sales 25% in 3 year tenure as General Manager.
- Directly supervised, trained, and developed up to 5 restaurant managers and up to 100 team members including performance evaluations, interviews, selection, hiring, onboarding, and disciplinary action.
- Led opening of two new restaurants Frisco, TX and Hollywood, CA.
- Maintained consistent career progression - started with Buffalo Wild Wings as a bartender in 2010 before moving in to and progressing through management to become a Training General Manager.
